

The "do-not-call" list does not seem to be working. I am bombarded with junk calls & faxes all day. The fax has been shut down because I'm sick of the wasted paper & toner. This is a private residence, we are both retired & don't want to be bothered. I've filed two complaints so far with you. When I get around to it I will send you the most current list of annoyers. Kindly shut them down!
